COMMUNITY DECLARATION FOR THE GREYWALL CLUB

This Community Declaration is made by Lennar Communities of Chicago L.L.C., an Illinois limited liability company ("Declarant").

R E C I T A L S

The Development Area is legally described in Exhibit A hereto. Some or all of the Development Area shall be the subject of a phased development called "Greywall Club" (the "Development"). The Development shall include dwelling units and certain community areas

Upon the Recording hereof, the Declarant shall subject the real estate which is legally described in Exhibit B hereto to the provisions of this Community Declaration as the Premises and shall designate portions of the Premises as either Dwelling Units or Community Area. From time to time the Declarant may subject additional portions of the Development Area to the provisions of this Community Declaration as Added Premises, as more fully described in Article Thirteen. Each portion of the Premises will be made subject to this Community Declaration and another declaration and each Owner of a Dwelling Unit shall be a member of both the Community Association and the association which administers the property which is subject to the other declaration. Nothing in this Community Declaration shall be construed as delegating the Community Association, or authorizing the Community Association to exercise, any rights or powers on behalf of any such association. It is not intended that the Community Association shall be a "master association" as defined in Section 18.5(a) of the Illinois Condominium Property Act (765 ILCS 605/18.5(a)) or a "common interest community association" as defined in Section 9-102(a)(8) of the Code of Civil Procedure (735 ILCS 5/9-102(a)(8)). Nothing in this Community Declaration shall be construed to require the Declarant to subject additional portions of the Development Area to the provisions of this Community Declaration. Those portions of the Development Area which are not made subject to the provisions of this Community Declaration as Premises may be used for any purposes not prohibited by law.

Certain portions of the Premises are designated as Dwelling Units and other portions are designated as Community Area. The Declarant has formed the Community Association under the Illinois General Not-For-Profit Corporation Act. The Community Association shall be responsible for administering and maintaining the Community Area and shall set budgets and fix assessments to pay the expenses incurred in connection therewith. Each Owner of a Dwelling Unit and each Owner of an Unbuilt Dwelling Unit shall be a member of the Community Association and shall be responsible for paying assessments with respect to each Dwelling Unit and/or Unbuilt Dwelling Unit owned by such Owner.

During the construction and marketing of the Development, the Declarant shall retain and grant certain rights set forth in this Declaration, which rights shall include, without limitation, the right of the Declarant, prior to the Turnover Date, to appoint all members of the Board, as more fully described in Article Nine, and the right for itself and each Designated Builder and each Special Development Rights Holder to come upon the Premises in connection with efforts to sell portions of the Premises and other rights reserved in Article Nine.

Because a number of different individuals and/or entities may be constructing homes on the Premises, in order to insure that the improvements constructed on the Development will be compatible in design, quality and appearance, the Declarant shall retain the right to approve any and all proposed construction and landscaping on the Premises or any modifications thereto and shall retain the power to adopt rules and regulations concerning the maintenance of the Premises (both improved and unimproved), all more fully provided in Section 9.07.

NOW, THEREFORE, the Declarant hereby declares as follows:

Declarant reserves the right and power to add real estate to the terms of this Community Declaration, as more fully provided in Article Thirteen.

2.02 CONVEYANCES SUBJECT TO COMMUNITY DECLARATION: All easements, restrictions, conditions, covenants, reservations, liens, charges, rights, benefits, and privileges which are granted, created, reserved or declared by this Community Declaration shall be deemed to be covenants appurtenant, running with the land and shall at all times inure to the benefit of and be binding on any Person having at any time any interest or estate in the Premises, and their respective heirs, successors, personal representatives or assigns, regardless of whether the deed or other instrument which creates or conveys the interest makes reference to this Community Declaration.

2.03 DURATION: Except as otherwise specifically provided herein the covenants, conditions, restrictions, easements, reservations, liens, and charges, which are granted, created, reserved or declared by this Community Declaration shall be appurtenant to and shall run with and bind the land for a period of forty (40) years from the date of Recording of this Community Declaration and for successive periods of ten (10) years each unless revoked, changed or amended in whole or in part by a Recorded instrument executed by the Owner of not less than three-fourths (3/4) of the Dwelling Units and Unbuilt Dwelling Units.

2.04 DWELLING UNIT CONVEYANCE: Once a Dwelling Unit has been conveyed by the Declarant or a Designated Builder to a bona fide purchaser for value (other than Declarant or a Designated Builder), then any subsequent conveyance or transfer of ownership of the Dwelling Unit shall be of the entire Dwelling Unit and there shall be no conveyance or transfer of a portion of the Dwelling Unit without the prior written consent of the Board.

2.05 ACCESS EASEMENT: Each Owner of a Dwelling Unit or an Unbuilt Dwelling Unit shall have a non-exclusive perpetual easement for ingress to and egress from his Dwelling Unit or Unbuilt Dwelling Unit to public streets and roads over and across the driveways and walkways located on the Community Areas, which easement shall run with the land, be appurtenant to and pass with title to every Dwelling Unit or Unbuilt Dwelling Unit. The Municipality or any other governmental authority which has jurisdiction over the Premises shall have a non-exclusive easement of access over roads and driveways located on the Community Area for police, fire, ambulance, waste removal, snow removal, or for the purpose of furnishing municipal or emergency services to the Premises. The Community Association, its employees and agents, shall have the right of ingress to, egress from, and parking on the Community Area, and the right to store equipment on the Community Area for the purpose of furnishing any maintenance, repairs or replacements of the Community Area as required or permitted hereunder.

2.06 RIGHT OF ENJOYMENT: Each Owner of a Dwelling Unit shall have the non-exclusive right and easement to use and enjoy the Community Area and the exclusive right to use the Owner's Dwelling Unit. Such rights and easements shall run with the land, be appurtenant to and pass with title to every Dwelling Unit, and shall be subject to and governed by the laws, ordinances and statutes of jurisdiction, the provisions of this Community Declaration, the By-Laws, and the reasonable rules and regulations from time to time adopted by the Community Association, including the right of the Community Association to come upon any portion of the Premises to furnish services hereunder.

2.07 DELEGATION OF USE: Subject to the provisions of this Community Declaration, the By-Laws, and the reasonable rules and regulations from time to time adopted by the Community Association, any Owner may delegate his right to use and enjoy the Community Area to Residents. An Owner shall delegate such rights to tenants and contract purchasers of the Owner's Dwelling Unit who are Residents.

2.08 UTILITY EASEMENTS: The Municipality and all public and private utilities (including cable companies) serving the Premises are hereby granted the right to lay, construct,

renew, operate, and maintain conduits, cables, pipes, wires, transformers, switching apparatus and other equipment, into and through those portions of the Community Area which are not improved with structures for the purpose of providing utility services to the Premises or any other portion of the Development Area; provided, that any of such parties which exercise the rights granted hereunder shall, to the extent practicable, repair any damage caused to the Premises in the exercise of such rights, including, without limitation, damage to landscaping, and restore the Premises to the condition which it was in prior to the exercise of such rights.

2.09 EASEMENTS, LEASES, LICENSES AND CONCESSIONS: The Community Association shall have the right and authority from time to time to lease or grant easements, licenses, or concessions with regard to any portions or all of the Community Area for such uses and purposes as the Board deems to be in the best interests of the Owners and which are not prohibited hereunder, including, without limitation, the right to grant easements for utilities or any other purpose which the Board deems to be in the best interests of the Owners. Any and all proceeds from leases, easements, licenses or concessions with respect to the Community Area shall be used to pay the Community Expenses. Also, the Community Association shall have the right and power to dedicate any part or all of the roads or parking areas located on the Community Area to the Municipality, but only with the Municipality's approval. Each person, by acceptance of a deed, mortgage, trust deed, other evidence of obligation, or other instrument relating to a Dwelling Unit or an Unbuilt Dwelling Unit, shall be deemed to grant a power coupled with an interest to the Board, as attorney-in-fact, to grant, cancel, alter or otherwise change the easements provided for in this Section. Any instrument executed pursuant to the power granted herein shall be executed by the President and attested to by the Secretary of the Community Association and duly Recorded.

2.10 COMMUNITY ASSOCIATION'S ACCESS: The Community Association shall have the right and power to come onto any portion of the Premises for the purpose of furnishing the services required to be furnished hereunder or enforcing its rights and powers hereunder.

2.11 NO DEDICATION TO PUBLIC USE: Except for easements granted or dedications made as permitted in Sections 2.08 and 2.09 above, nothing contained in this Community Declaration shall be construed or be deemed to constitute a dedication, express or implied, of any part of the Community Area to or for any public use or purpose whatsoever.

2.12 EASEMENT FOR ENCROACHMENT: In the event that, by reason of the construction, repair, reconstruction, settlement or shifting of an improvement to a Dwelling Unit, any improvement which is intended to service and/or be part of the Dwelling Unit shall encroach upon any part of any other Dwelling Unit or the Community Area, or, if any improvement to the Community Area shall encroach upon any part of a Dwelling Unit, then there shall be deemed to be an easement in favor of and appurtenant to such encroaching improvement for the continuance, maintenance, repair and replacement thereof; provided, however, that in no event shall an easement for any encroachment be created in favor of any Owner (other than Declarant or a Designated Builder), if such encroachment occurred due to the intentional, willful, or negligent conduct of such Owner or his agent. Without limiting the foregoing, the Owner of each Dwelling Unit shall have an easement appurtenant to his Dwelling Unit for the continuance,

maintenance, repair and replacement of the following improvements, if any, which encroach onto another Dwelling Unit or the Community Area:

(a) the eaves, gutters, downspouts, fascia, flashings, and like appendages which serve the Detached Home or Duplex on the Dwelling Unit;

(b) the chimney which serves the Detached Home or Duplex Home on the Dwelling Unit;

(c) the air conditioning equipment which serves the Detached Home or Duplex Home on the Dwelling Unit;

(d) balconies, steps, porches, door entries and patios which serve the Detached Home or Duplex Home on the Dwelling Unit; or

(e) sunrooms and/or decks, if any, which serve the Detached Home or Duplex Home on the Dwelling Unit.

The Person who is responsible for the maintenance of any encroaching improvement for which an easement for continuance, maintenance, repair and replacement thereof is granted under this Section shall continue to be responsible for the maintenance of such encroaching improvement and the Person who is responsible for the maintenance of the real estate upon which such improvement encroaches shall not have the duty to maintain, repair or replace any such encroaching improvement unless otherwise provided in this Community Declaration.

2.13 OWNERSHIP OF COMMUNITY AREA: The Community Area shall be conveyed to the Community Association free of mortgages no later than the Turnover Date; provided, however, Community Area which is made subject to this Community Declaration after the Turnover Date shall be conveyed to the Community Association free of mortgages no later than ninety (90) days after such Community Area is made subject to this Community Declaration.

2.14 REAL ESTATE TAXES FOR COMMUNITY AREA: If a tax bill is issued with respect to Community Area which is made subject to this Community Declaration in the middle of a tax year (regardless of when it is conveyed to the Community Association), then the tax bill shall be prorated so that the Declarant shall be responsible for the payment of that portion of the tax bill from January 1st of the tax year to the date that such Community Area is made subject to this Community Declaration, and the Community Association shall be responsible for the balance of the tax bill.

ARTICLE THREE Maintenance/Alterations

3.01 IN GENERAL: The restrictions and limitations contained in this Article shall be subject to the rights of the Declarant and each Designated Builder set forth in Article Nine.

3.02 MAINTENANCE BY COMMUNITY ASSOCIATION: The following maintenance, repairs and replacements shall be furnished by the Community Association as a Community Expense:

(i) added planting, replanting, care and maintenance of trees, shrubs, flowers, grass and all other landscaping on the Community Area and on cul-de-sac islands located in the dedicated rights of way;

(ii) maintenance, repair and replacement of all improvements from time to time located on the Community Area, including, but not limited to, detention areas, fencing, monument signs, one or more clubhouses, one or more gate houses and other recreational facilities, if any;

(iii) to the extent not maintained by the Municipality, maintenance, repair and replacement of those portions of a bike path system which are located on the Community Area, if any; and

(vi) maintenance of portions of the Community Area, if any, which are designated as "wetlands" by any other governmental authority which has jurisdiction over maintenance of wetlands, which maintenance shall follow guidelines, if any, from time to time issued by any such governmental authority.

The Community Association and the Municipality shall each have a non-exclusive, perpetual easement to come onto the Community Area for the purpose of furnishing maintenance, repairs or replacements to the Community Area which is required, provided for or permitted hereunder.

3.03 CERTAIN UTILITY COSTS: Certain utility costs incurred in connection with the use, operation and maintenance of the Community Area may not be separately metered and billed to the Community Association. If the cost for any such utility is metered and charged to individual Dwelling Units rather than being separately metered and charged to the Community Association, then the following shall apply:

(a) If in the opinion of the Board, each Owner is sharing in a fair and equitable manner the cost for such service, then no adjustment shall be made and each Owner shall pay his own bill; or

(b) If in the opinion of the Board, the Owner is being charged disproportionately for costs allocable to the Community Area, then the Community Association shall pay, or reimburse such Owner, an amount equal to the portion of the costs which in the reasonable determination of the Board is properly allocable to the Community Area, and the amount thereof shall be Community Expenses hereunder.

Any determinations or allocations made hereunder by the Board shall be final and binding on all parties.

3.04 DAMAGE BY RESIDENT: If, due to the act or omission of a Resident of a Dwelling Unit, or of a household pet or guest or other authorized occupant or invitee of the Owner of a Dwelling Unit, damage shall be caused to the Community Area and maintenance, repairs or replacements shall be required thereby, which would otherwise be a Community Expense, then the Owner of the Dwelling Unit shall pay for such damage and such maintenance, repairs and replacements, as may be determined by the Board, to the extent not covered by insurance carried by the Community Association.

ARTICLE FOUR

In addition, the Board may, in its discretion, obtain any other insurance which it deems advisable including, without limitation, insurance covering the directors and officers from liability for good faith actions beyond the scope of their respective authorities and covering the indemnity set forth in Section 5.06. Such insurance coverage shall include cross liability claims of one or more insured parties.

4.02 CONDEMNATION: In the case of a taking or condemnation by competent authority of any part of the Community Area owned by the Community Association, the proceeds awarded in such condemnation shall be paid to the Community Association and such proceeds, together with any Capital Reserve being held for such part of the Community Area, shall, in the

3.04 DAMAGE BY RESIDENT: If, due to the act or omission of a Resident of a Dwelling Unit, or of a household pet or guest or other authorized occupant or invitee of the Owner of a Dwelling Unit, damage shall be caused to the Community Area and maintenance, repairs or replacements shall be required thereby, which would otherwise be a Community Expense, then the Owner of the Dwelling Unit shall pay for such damage and such maintenance, repairs and replacements, as may be determined by the Board, to the extent not covered by insurance carried by the Community Association.

4.01 COMMUNITY AREA INSURANCE:

(a) The Community Association shall have the authority to and shall obtain fire and all risk coverage insurance covering the improvements, if any, to the Community Area and other improvements required to be maintained by the Community Association (based on current replacement cost for the full insurable replacement value) of such improvements.

(b) The Community Association shall have the authority to and shall obtain (i) comprehensive public liability insurance, including liability for injuries to and death of persons, and property damage, in such limits as it shall deem desirable, and workmen's compensation insurance and other liability insurance as it may deem desirable, insuring each Owner, the Community Association, its directors and officers, the Declarant, each Designated Builder, the managing agent, if any, and their respective employees and agents, as their interests may appear, from liability resulting from an occurrence on or in connection with, the Community Area, and (ii) Directors and officers liability insurance in such amounts as the Board shall deem desirable (but not less than \$1,000,000 covering all claims arising out of a single occurrence). (d) The premiums for any insurance obtained under this Section shall be Community Expenses.

4.02 CONDEMNATION: In the case of a taking or condemnation by competent authority of any part of the Community Area owned by the Community Association, the proceeds awarded in such condemnation shall be paid to the Community Association and such proceeds, together with any Capital Reserve being held for such part of the Community Area, shall, in the

Any acquisition by the Community Association pursuant to this Section of real estate which shall become Community Area hereunder shall not become effective unless and until a supplement to this Community Declaration, which refers to this Section and legally describes the real estate affected, is executed by the President of the Community Association and Recorded.

ARTICLE FIVE
The Community Association

5.01 IN GENERAL: Declarant has caused or shall cause the Community Association to be incorporated as a not-for-profit corporation under Illinois law. The Community Association shall be the governing body for all of the Owners for the administration and operation of the Community Area. The Community Association shall be responsible for the maintenance, repair and replacement of the Community Area.

5.02 MEMBERSHIP: Each Owner shall be a member of the Community Association. There shall be one membership per Dwelling Unit and one membership per Unbuilt Dwelling Unit. Membership shall be appurtenant to and may not be separated from ownership of a Dwelling Unit or an Unbuilt Dwelling Unit. Ownership of a Dwelling Unit or an Unbuilt Dwelling Unit shall be the sole qualification for membership. The Community Association shall be given written notice of the change of ownership of a Dwelling Unit or an Unbuilt Dwelling Unit within ten (10) days after such change.

5.03 VOTING MEMBERS: Subject to the provisions of Section 5.05, voting rights of the members of the Community Association shall be vested exclusively in the Voting Members. One individual shall be designated as the "Voting Member" for each Dwelling Unit and each Unbuilt Dwelling Unit. The Voting Member or his proxy shall be the individual who shall be entitled to vote at meetings of the Owners. If the Record ownership of a Dwelling Unit or an Unbuilt Dwelling Unit shall be in more than one person, or if an Owner is a trustee, corporation, partnership or other legal entity, then the Voting Member for the Dwelling Unit shall be designated by such Owner or Owners in writing to the Board and if in the case of multiple individual Owners no designation is given, then the Board at its election may recognize an individual Owner of the Dwelling Unit or the Unbuilt Dwelling Unit as the Voting Member for such Dwelling Unit.

5.04 BOARD: Subject to the rights retained by the Declarant under Section 9.05, the Board shall consist of that number of members provided for in the By-Laws, each of whom shall be an Owner or Voting Member.

5.05 VOTING RIGHTS: Prior to the Turnover Date, all of the voting rights at each meeting of the Community Association shall be vested exclusively in the Declarant and the Owners (other than Declarant) shall have no voting rights. From and after the Turnover Date, all

of the voting rights at any meeting of the Community Association shall be vested in the Voting Members and each Voting Member shall have one vote for each Dwelling Unit and each Unbuilt Dwelling Unit which the Voting Member represents. From and after the Turnover Date any action may be taken by the Voting Members at any meeting at which a quorum is present (as provided in the By-Laws) upon the affirmative vote of a majority of the votes held by the Voting Members present at such meeting, except as otherwise provided herein or in the By-Laws.

5.06 DIRECTOR AND OFFICER LIABILITY: Neither the directors nor the officers of the Community Association shall be personally liable to the Owners or the Community Association for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors and officers except for any acts or omissions found by a court to constitute criminal conduct, gross negligence or fraud. The Community Association shall indemnify and hold harmless the Declarant and each of the directors and officers and his heirs, executors or administrators, against all contractual and other liabilities to the Community Association, the Owners or others arising out of contracts made by or other acts of the directors and officers on behalf of the Owners or the Community Association or arising out of their status as directors or officers unless any such contract or act shall have been made criminally, fraudulently or with gross negligence. It is intended that the foregoing indemnification shall include indemnification against all costs and expenses (including, but not limited to, counsel fees, amounts of judgments paid and amounts paid in settlement) actually and reasonably incurred in connection with the defense of any claim, action, suit or proceeding, whether civil, criminal, administrative, or other in which any such director may be involved by virtue of such person being or having been such director or officer; provided, however, that such indemnity shall not be operative with respect to (i) any matter as to which such person shall have been finally adjudged in such action, suit or proceeding to be liable for criminal conduct, gross negligence or fraud in the performance of his duties as such director or officer, or (ii) any matter settled or compromised, unless, in the opinion of independent counsel selected by or in a manner determined by the Board, there is not reasonable ground for such person being adjudged liable for criminal conduct, gross negligence or fraud in the performance of his duties as such director or officer.

5.07 MANAGING AGENT: An independent managing agent may be engaged by the Community Association to act as the managing agent for the Community Association and as managing agent shall be paid a reasonable fee for its services as fixed by a written agreement between the Community Association and managing agent. Any management agreement entered into by the Community Association prior to the Turnover Date shall have a term of not more than two years and shall be terminable by the Community Association without payment of a termination fee on ninety (90) days written notice.

5.08 DISSOLUTION: Although it is currently anticipated that the Community Association will maintain the Community Area, it is possible that a governmental agency may accept responsibility for such maintenance. If that occurs and the Community Association has no maintenance responsibilities, then at the option of the Declarant (which may be exercised at any time prior to the Turnover Date) or at the option of the members of the Community Association (which may be exercised by action of the members after the Turnover Date), the Community

Association shall be dissolved and liquidated and thereafter the provisions of this Declaration which deal with the powers and duties of the Community Association shall be null and void and of no further force and effect. Any distribution of assets of the Community Association shall be made to the Owners of Dwelling Units and Unbuilt Dwelling Units in equal amounts for each Dwelling Unit and Unbuilt Dwelling Unit owned.

5.09 ATTENDANCE AT BOARD MEETINGS: Owners may attend meetings of the Board only if, and to the extent, permitted by the Board in its discretion. It is not the intention that Owners shall have the right to attend meetings of the Board in the same manner provided for members of condominium Community Associations under the Illinois Condominium Property Act.

ARTICLE SIX Assessments

6.01 PURPOSE OF ASSESSMENTS / EXEMPTION FROM ASSESSMENTS: The assessments levied by the Community Association shall be limited to the purposes of administering the affairs of the Community Association, paying the Community Expenses and accumulating reserves for any such expenses. For purposes hereof, except as provided in (a) and (b) below, all Dwelling Units and Unbuilt Dwelling Units shall be subject to assessment hereunder:

(a) a Dwelling Unit or Unbuilt Dwelling Unit owned by the Declarant or a Designated Builder shall not be subject to assessment hereunder; and

(b) a Dwelling Unit owned by or leased to the Declarant or a Designated Builder shall not be subject to assessment hereunder.

6.02 ASSESSMENT PROCEDURE: Each year on or before December 1, the Board shall adopt and furnish each Owner with a budget for the ensuing calendar year, which shall show the following with reasonable explanations and itemizations:

(a) The estimated Community Expenses;

(b) The estimated amount, if any, to maintain adequate reserves for Community Expenses including, without limitation, amounts to maintain the Capital Reserve;

(c) The estimated net available cash receipts from sources other than assessments, plus estimated excess funds, if any, from the current year's assessments;

(d) The amount of the "Community Assessment" payable by the Owners, which is hereby defined as the amount determined in (1) above, plus the amount determined in (2) above, minus the amount determined in (3) above;

(e) That portion of the Community Assessment which shall be payable with respect to the ensuing calendar year by the Owner of each Dwelling Unit and each Unbuilt Dwelling Unit which is subject to assessment hereunder, which shall be equal to the Community Assessment divided by the total number of Dwelling Units and Unbuilt Dwelling Units which are subject to assessment hereunder, so that each Owner shall pay equal Community Assessments for each Dwelling Unit and each Unbuilt Dwelling Unit owned. The Community Assessment shall be paid quarterly or in such periodic installments as determined by the Board from time to time, but no less frequently than once each calendar year;

Anything herein to the contrary notwithstanding the provisions of this paragraph shall apply with respect to the period prior to the Turnover Date. Any budget prepared by the Board prior to the Turnover Date shall be based on the assumptions that (i) the Development has been fully constructed as shown on Declarant's Development Plan and (ii) all proposed Dwelling Units have been built, sold and are occupied. The Declarant's Development Plan shall be kept on file with the Community Association and may be modified from time to time by Declarant. Prior to the Turnover Date, each Owner of a Dwelling Unit or Unbuilt Dwelling Unit (other than the Declarant and each Designated Builder) shall pay, as the Owner's quarterly share of the Community Assessment with respect to each Dwelling Unit or Unbuilt Dwelling Unit owned by such Owner, an amount equal to the budgeted Community Expenses divided by the number of proposed Dwelling Units on the then current Declarant's Development Plan, so that each Owner (other than Declarant and each Designated Builder) will pay, with respect to each Dwelling Unit or Unbuilt Dwelling Unit owned, a Community Assessment equal to what such Owner would be paying with respect to the Owner's Dwelling Unit if the Development were fully constructed pursuant to the current Declarant's Development Plan and all proposed Dwelling Units have been built, sold and are occupied. None of the Declarant or any Designated Builder shall be obligated to pay any Community Assessments to the Community Association prior to the Turnover Date. However, if with respect to the period commencing on the date of the Recording of this Declaration and ending on the Turnover Date, the amount of Community Assessments and working capital contributions payable by Owners (other than Declarant and each Designated Builder) under Section 6.07, less the portions thereof which are to be added to Reserves, is less than the Community Expenses actually incurred with respect to such period, then the Declarant and the Designated Builders shall share in the payment of any difference to the Community Association pursuant to terms agreed upon between the Declarant and the Designated Builders. From time to time prior to the Turnover Date, the Declarant and/or Designated Builders may (but shall not be obligated to) advance to the Community Association funds to be used by the Community Association to pay its expenses ("Advanced Funds"). A final accounting and settlement of the amount, if any, owed by Declarant and/or Designated Builders to the Community Association shall be made as soon as practicable after the Turnover Date. If, and to the extent that, the final accounting determines that the Advanced Funds, if any, are less than the amount owed by the Declarant and/or a Designated Builders to the Community Association pursuant to this Section, the Declarant and/or the Designated Builders shall pay the difference to the Community Association. If, and to the extent that, the final accounting determines that the Advanced Funds, if any, exceed the amount owed by the Declarant and/or Designated Builders to

the Community Association pursuant to this Section, then the Community Association shall pay such excess to the Declarant and/or the Designated Builders.

6.03 PAYMENT OF COMMUNITY ASSESSMENT: Each Owner of a Dwelling Unit or Unbuilt Dwelling Unit which is subject to assessment hereunder shall pay to the Community Association, or as the Board may direct, that portion of the Community Assessment, which is payable by each Owner of a Dwelling Unit or Unbuilt Dwelling Unit under Section 6.02, at such times as the Board shall determine from time to time.

6.04 REVISED ASSESSMENT: If the Community Assessment proves inadequate for any reason (including nonpayment of any Owner's assessment) or proves to exceed funds reasonably needed, then the Board may increase or decrease the assessment payable under Section 6.02 by giving written notice thereof (together with a revised budget and explanation for the adjustment) to each Owner not less than ten (10) days prior to the effective date of the revised assessment.

6.05 SPECIAL ASSESSMENT: The Board may levy a special assessment as provided in this Section (i) to pay (or build up reserves to pay) expenses other than Community Expenses incurred (or to be incurred) by the Community Association from time to time for a specific purpose including, without limitation, to make alterations, additions or improvements to the Community Area or any other property owned or maintained by the Community Association; or (ii) to cover an unanticipated deficit under the prior year's budget. Any special assessment shall be levied against all of Dwelling Units and Unbuilt Dwelling Units in equal shares for each Dwelling Unit and Unbuilt Dwelling Unit which is then subject to assessment thereunder. No special assessment shall be adopted without the affirmative vote of Voting Members representing at least two-thirds (2/3) of the votes cast on the question. The Board shall serve notice of a special assessment on all Owners by a statement in writing giving the specific purpose and reasons therefore in reasonable detail, and the special assessment shall be payable in such manner and on such terms as shall be fixed by the Board. Any assessments collected pursuant to this Section (other than those to cover an unanticipated deficit under the prior year's budget) shall be segregated in a special account and used only for the specific purpose set forth in the notice of assessment.

6.06 CAPITAL RESERVE: The Community Association shall segregate and maintain special reserve accounts to be used solely for making capital expenditures in connection with the Community Area and other property owned or maintained by the Community Association and periodic projections of the cost of anticipated major repairs or replacements to such property and the purchase of other property to be used by the Community Association in connection with its duties hereunder (the "Capital Reserve"). The Capital Reserve may be built up by separate or special assessments or out of the Community Assessment as provided in the budget. Special accounts set up for portions of the Capital Reserve to be used to make capital expenditures with respect to the Community Area shall be held by the Community Association as agent and trustee for the Owners of Dwelling Units and Unbuilt Dwelling Units with respect to which the Capital Reserve is held and such accounts shall be deemed to have been funded by capital contributions to the Community Association by the Owners. The budgets which will be adopted from time to

time by the Boards appointed by the Declarant prior to the Turnover Date shall include reserve buildups which the Board deems to be appropriate based on information available to the Board. Boards elected by the Owners after the Turnover Date may use different approaches from those used by Boards appointed by the Declarant for the buildup of reserves or may choose not to provide for the buildup of reserves for certain capital expenditures or deferred maintenance for repairs or replacements of the Community Area. If the Board chooses not to provide for the buildup of reserves for a particular anticipated expenditure or if the buildup of reserves that the Board does provide for in its budgets does not result in sufficient funds to pay for the expenditure when the expenditure must be made, then (i) neither the Board nor any of its past or present members shall be liable to the Community Association or the Owners for failing to provide for sufficient reserves and (ii) the Board shall have the right and power to either levy a separate or special assessment to raise the funds to pay the expenditure or to borrow funds to pay the expenditure and repay the borrowed funds out of future Community Assessments, separate assessments or special assessments.

6.07 INITIAL CONTRIBUTION/ADVANCE PAYMENT OF ASSESSMENT: Upon the closing of the first sale of each Dwelling Unit or each Unbuilt Dwelling Unit by the Declarant or a Designated Builder to a purchaser for value (other than the Declarant or a Designated Builder), the purchasing Owner (a) shall pay to the Community Association an amount equal to (i) six (6) months of the annual Community Assessment, plus one hundred dollars (\$100), which amount shall be added to the Capital Reserve, and (b) with respect to an Unbuilt Dwelling Unit, unless otherwise agreed by Declarant, shall make an advance payment of one year's assessments at the rate which shall become effective with respect to the Unbuilt Dwelling Unit as of the closing. Any advance assessment payment made pursuant to (b) above shall be applied as an advance payment of assessments with respect to such period; however, if assessments increase during such period, the Owner of the Unbuilt Dwelling Unit shall be required to pay the amount of the increase.

6.08 PAYMENT OF ASSESSMENTS: Assessments levied by the Community Association shall be collected from each Owner by the Community Association and shall be a lien on the Owner's Dwelling Unit or Unbuilt Dwelling Unit and also shall be a personal obligation of the Owner in favor of the Community Association, all as more fully set forth in Article Seven.

ARTICLE SEVEN

Collection of Charges and Remedies for Breach or Violation

7.01. CREATION OF LIEN AND PERSONAL OBLIGATION: The Declarant hereby covenants, and each Owner of a Dwelling Unit or Unbuilt Dwelling Unit by acceptance of a deed therefore (whether or not it shall be so expressed in any such deed or other conveyance), shall be and is deemed to covenant and hereby agrees to pay to the Community Association all Charges made with respect to the Owner on the Owner's Dwelling Unit and/or Unbuilt Dwelling Units, as applicable. Each Charge, together with interest thereon and reasonable costs of collection, if any, as hereinafter provided, shall be a continuing lien upon the Dwelling Unit or Unbuilt Area against which such Charge is made and also shall be the personal obligation of the Owner of the Dwelling Unit or Unbuilt Dwelling Unit at the time when the Charge becomes due. The lien or

personal obligation created under this Section shall be in favor of and shall be enforceable by the Community Association.

7.02 COLLECTION OF CHARGES: The Community Association shall collect from each Owner all Charges payable by such Owner under this Community Declaration.

7.03 NON-PAYMENT OF CHARGES: Any Charge which is not paid to the Community Association when due shall be deemed delinquent. Any Charge which is delinquent for thirty (30) days or more shall bear interest at the rate of eighteen percent (18%) per annum or the maximum rate permitted by law, whichever is less, from the due date to the date when paid. The Community Association may (i) bring an action against the Owner personally obligated to pay the Charge to recover the Charge (together with interest, costs and reasonable attorney's fees for any such action, which shall be added to the amount of the Charge and included in any judgment rendered in such action), and (ii) enforce and foreclose any lien which it has or which may exist for its benefit. In addition, the Board may add a reasonable late fee to any installment of an assessment which is not paid within thirty (30) days of its due date. No Owner may waive or otherwise escape personal liability for the Charges hereunder by nonuse of the Community Area or by abandonment or transfer of his Dwelling Unit or portion of the Premises which includes Unbuilt Dwelling Units.

7.04 LIEN FOR CHARGES SUBORDINATED TO MORTGAGES: The lien for Charges, provided for in Section 7.01, shall be subordinate to the First Mortgagee's mortgage on the Dwelling Unit or Unbuilt Dwelling Unit which was Recorded prior to the date that any such Charge became due. Except as hereinafter provided, the lien for Charges, provided for in Section 7.01, shall not be affected by any sale or transfer of a Dwelling Unit or Unbuilt Dwelling Unit. Where title to a Dwelling Unit or Unbuilt Dwelling Unit is transferred pursuant to a decree of foreclosure of the First Mortgagee's mortgage or by deed or assignment in lieu of foreclosure of the First Mortgagee's mortgage, such transfer of title shall extinguish the lien for unpaid Charges which became due prior to the date of the transfer of title. However, the transferee of the Dwelling Unit or Unbuilt Dwelling Unit shall be personally liable for his share of the Charges with respect to which a lien against his Dwelling Unit or Unbuilt Dwelling Unit has been extinguished pursuant to the preceding sentence where such Charges are reallocated among all the Owners pursuant to a subsequently adopted annual or revised Community Assessment or special assessment, and non-payment thereof shall result in a lien against the transferee's Dwelling Unit, as provided in this Article.

7.05 SELF-HELP BY BOARD: In the event of a violation or breach by an Owner of the provisions, covenants or restrictions of the Community Declaration, the By-Laws, or rules or regulations of the Board, where such violation or breach may be cured or abated by affirmative action, then the Board, upon not less than ten (10) days' prior written notice to the Owner, shall have the right to enter upon that part of the Premises where the violation or breach exists to remove or rectify the violation or breach.

7.06 OTHER REMEDIES OF THE BOARD: In addition to or in conjunction with the remedies set forth above, to enforce any of the provisions contained in this Community

Declaration or any rules and regulations adopted hereunder the Board may levy a fine or the Board may bring an action at law or in equity by the Community Association against any person or persons violating or attempting to violate any such provision, either to restrain such violation, require performance thereof, to recover sums due or payable or to recover damages or fines, and against the land to enforce any lien created hereunder; and failure by the Community Association or any Owner to enforce any provision shall in no event be deemed a waiver of the right to do so thereafter.

7.07 COSTS AND EXPENSES: All costs and expenses incurred by the Board in connection with any action, proceedings or self-help in connection with exercise of its rights and remedies under this Article, including, without limitation, court costs, attorneys' fees and all other fees and expenses, and all damages, liquidated or otherwise, together with interest thereon at the rate of eighteen percent (18%) per annum or the maximum rate permitted by law, whichever is less, until paid, shall be charged to and assessed against the defaulting Owner, and the Community Association shall have a lien for all the same, upon his Dwelling Unit or Unbuilt Dwelling Unit as provided in Section 7.01.

7.08 ENFORCEMENT BY OWNERS: Enforcement of the provisions contained in this Community Declaration and the rules and regulations adopted hereunder may be by any proceeding at law or in equity by any aggrieved Owner against any person or persons violating or attempting to violate any such provisions, either to restrain such violation or to recover damages, and against a Dwelling Unit or Unbuilt Dwelling Unit to enforce any lien created hereunder.

ARTICLE EIGHT Restrictions

8.01 USE RESTRICTIONS: No industry, business, trade, occupation or profession of any kind shall be conducted, maintained or permitted on any part of the Community Area.

8.02 SIGNS: Subject to the provisions of Article Nine, no sign of any kind shall be maintained or permitted on any part of the Premises, except as permitted by the Board.

8.03 OBSTRUCTIONS AND REFUSE: Except as permitted under Article Nine, there shall be no obstruction of the Community Area. No Owner shall store any items or materials in the Community Area without the prior written consent of the Board. The Community Area shall be kept free and clear of all rubbish, debris and other unsightly materials and no waste shall be committed thereon.

8.04 PETS: No animal of any kind shall be raised, bred or kept in any part of the Community Area. The Board may from time to time adopt rules and regulations governing the use of the Community Area by pets. Any pet causing or creating a nuisance or unreasonable disturbance to an Owner shall be permanently removed from the Premises upon three (3) days written notice from the Board to the Owner of the Dwelling Unit containing such pet and the decision of the Board shall be final.

8.05 PROSCRIBED ACTIVITIES: No noxious or offensive activity shall be carried on in the Premises nor shall anything be done therein, either willfully or negligently, which may be or become an unreasonable annoyance or nuisance to the Residents. There shall be no swimming, fishing, boating, ice skating or use of personal flotation devices in or on any lake or detention area on the Community Area, it being intended that such areas shall be aesthetic amenities only and shall not be used for active recreational purposes.

8.06 PROHIBITED USES AND STRUCTURES: Unless permitted by the Board, no clothes, sheets, blankets, laundry of any kind or other articles shall be hung out on any portion of the Premises. Except as permitted under Section 9.03 there shall be no obstruction of the Community Area and nothing shall be stored in the Community Area without the prior written consent of the Board.

8.07 PARKING: No boats, trailers, trucks (other than a pick up truck), recreational vehicles or similar vehicles shall be stored or parked overnight on any portion of the Community Area except as permitted under rules and regulations adopted by the Board.

8.08 WATERING: The Board may adopt rules and regulations governing the watering of grass, shrubs, trees and other foliage on the Community Areas. Without limiting the foregoing, the Board may require the Owner of a particular Dwelling Unit to be responsible for watering specific portions of the Premises as designated from time to time by the Board.

ARTICLE NINE
Declarant's Reserved Rights and
Special Provisions Covering Development Period

9.01 IN GENERAL: In addition to any rights or powers reserved to the Declarant or a Designated Builder under the provisions of this Declaration or the By-Laws, the Declarant and each Designated Builder shall have the rights and powers set forth in this Article. Anything in this Declaration or the By-Laws to the contrary notwithstanding, the provisions set forth in this Article shall govern. If not sooner terminated as provided in this Article, the provisions of this Article shall terminate and be of no further force and effect (a) with respect to the Declarant five (5) years after the Declarant is no longer vested with or controls title to any portion of the Development Area and (b) with respect to each Designated Builder from and after such time as the Designated Builder is no longer vested with or controls title to any portion of the Development Area.

9.02 PROMOTION OF PROJECT: The Declarant and each Designated Builder shall have the right and power, within their sole discretion, to (i) construct such temporary or permanent improvements, or to do such acts or other things in, on, or to the Premises as the Declarant or the Designated Builder may, from time to time, determine to be necessary or advisable, (ii) construct and maintain model homes, sales or leasing offices, parking areas, advertising signs, lighting and banners, or other promotional facilities at such locations and in such forms as the Declarant or the Designated Builder may deem advisable and to use such model homes (including model homes which are sold and leased back to the Declarant or a

Designated Builder), sales or leasing offices or other facilities for the purpose of selling or leasing Dwelling Units on the Premises or at other properties in the general location of the Premises which are being offered for sale by the Declarant or the Designated Builder or any of their respective affiliates, without the payment of any fee or charge whatsoever to the Association. Declarant, each Designated Builder and their respective agents, prospective purchasers and tenants, shall have the right of ingress, egress and parking in and through, and the right to use and enjoy the Community Area, at any and all reasonable times without fee or charge. The Declarant and each Designated Builder shall have the right and power to lease any Dwelling Unit owned by it to any person or entity which it deems appropriate in its sole discretion.

9.03 CONSTRUCTION ON PREMISES: In connection with the construction of improvements to any part of the Premises, the Declarant, each Designated Builder and their respective agents and contractors, shall have the right, at the Declarant's or the Designated Builder's own expense, (but shall not be obligated) to make such alterations, additions or improvements to any part of the Premises including, without limitation, the construction, reconstruction or alteration of any temporary or permanent improvements to any structure which shall contain Dwelling Units, the Community Area which the Declarant or the Designated Builder deem, in its sole discretion, to be necessary or advisable, and the landscaping, sodding or planting and replanting of any unimproved portions of the Premises. In connection with the rights provided in the preceding sentence, the Declarant, each Designated Builder and their respective agents and contractors, shall have the right of ingress, egress and parking on the Premises and the right to store construction equipment and materials on the Premises without the payment of any fee or charge whatsoever.

9.04 GRANT OF EASEMENTS AND DEDICATIONS: Declarant shall have the right to dedicate portions of the Premises to the County, the Municipality or any other governmental authority which has jurisdiction over such portions. Declarant shall also have the right to reserve or grant easements over the Premises to any governmental authority, public utility or private utility for the installation and maintenance of electrical and telephone conduit and lines, gas, sewer or water lines, or any other utility services serving any Dwelling Unit provided, that any easement granted or reserved shall not result in the reduction of the number of homes which may be built on any portion of the Unplatted Area which is not owned by Declarant.

9.05 DECLARANT CONTROL OF ASSOCIATION: Prior to the Turnover Date, the first and all subsequent Boards shall consist solely of three (3) persons from time to time designated by the Declarant, which persons may, but need not, be members under Section 5.02. Declarant's rights under this Section to designate the members of the Board shall terminate on the first to occur of (i) five (5) years after Declarant no longer holds or controls title to any part of the Development Area, (ii) the giving of written notice by Declarant to the Association of Declarant's election to terminate either or both of such rights, or (iii) fifteen (15) years from the date of Recording hereof. The date on which the Declarant's rights under this Section terminate shall be referred to as the "Turnover Date". From and after the Turnover Date, the Board shall be constituted and elected as provided in the By-Laws. Prior to the Turnover Date all of the voting

rights at each meeting of the Owners shall be vested exclusively in the Declarant and the Owners shall have no voting rights.

9.06 OTHER RIGHTS: The Declarant shall have the right and power to execute all documents and do all other acts and things affecting the Premises which, in Declarant's opinion, are necessary or desirable in connection with the rights of Declarant under this Declaration.

9.07 DESIGN AND MAINTENANCE CONTROLS:

(a) The Declarant shall have the right and power from time to time to adopt reasonable rules, regulations, guidelines, and standards governing the design and exterior finish (including color) of all improvements or landscaping from time to time constructed, installed or proposed to be constructed, installed or modified on the Premises. Without limiting the foregoing, no earthmoving, filling, dredging, grading, excavating, installation of landscaping, alteration of landscaping, construction of a building, home, driveway, walkway, fence, signs or other advertising or promotional devices or any other temporary or permanent improvement to any portion of the Premises or any modification, alteration, renovation, addition or removal of any of the foregoing, including change of exterior color ("Regulated Work") shall be commenced or maintained with respect to any portion of the Premises without the prior written consent of the Declarant to the plans therefore, which consent may be granted or withheld in Declarant's sole and absolute discretion. The Declarant reserves the right and power to promulgate and amend from time to time standards, policies, procedures and guidelines in order to implement the foregoing. If any Regulated Work which requires Declarant approval as provided above is commenced without obtaining the required written consent of the Declarant, then the Declarant may seek any remedy or take any action provided for herein or permitted at law or in equity in order to enforce the provisions hereof, including injunctive relief to stop work and/or restore the portion of the Premises to its condition prior to the commencement of the work.

(b) The Declarant shall have the right and power from time to time to adopt rules, regulations, guidelines, and standards governing the maintenance and upkeep of portions of the Premises, including without limitation, improvements thereto, signs, advertising and landscaping thereon. Without limiting the foregoing, those portions of the Premises on which construction of improvements has not yet commenced shall at all times be maintained in a neat and clean condition and all weeds shall be periodically cut. If in the sole judgment of the Declarant a portion of the Premises is not being maintained in good condition and repair or the appearance of any such portion of the Premises is not of the character and quality of that of other portions of the Premises or is not in compliance with rules, regulations, guidelines, and standards adopted from time to time by the Declarant, then without limiting any rights or remedies available to the Declarant hereunder, at law or in equity, Declarant shall have the right to enter upon any such portion of the Premises and perform any maintenance or repair work which it deems necessary or appropriate. The cost of any such work shall be charged to the Owner or party responsible for maintenance of such portion of the Premises if different from the Owner, and shall be payable to the Declarant upon demand. In the event that the party charged for such work fails to make prompt payment of any such amount within thirty (30) days after demand, such amount shall become and continue to be a lien upon the portion of the Premises owned by such party until

such time as payment is made in full; provided, that any such lien shall be subordinate to the lien of any First Mortgage on a Dwelling Unit or Unbuilt Dwelling Unit Recorded prior to the date on which any such amount becomes a lien against a Dwelling Unit or Unbuilt Dwelling Unit as provided above.

(c) Any one or more of the rights and powers of the Declarant under this Section may be delegated to one or more individuals or entities designated from time to time by the Declarant, including, without limitation to a Designated Builder or to the Community Association ("Assignee"). In such event, Declarant may enter into an agreement ("Transfer Agreement") with the Assignee whereby the Declarant assigns and transfers to the Assignee some or all of its rights and powers under subsections (a) and (b). Any Transfer Agreement shall be executed by both the Declarant and the Assignee; provided, that the execution of a Transfer Agreement by the Community Association shall be approved in advance by action of the Voting Members at an annual meeting or special meeting of the Voting Members. A Transfer Agreement may include such terms as are agreed upon between the Declarant and the Assignee. From and after the effective date of the Transfer Agreement, the rights and powers of the Declarant under subsections (a) and (b) which are transferred to the Assignee pursuant to the Transfer Agreement, shall be administered as provided in the Transfer Agreement. Any rights and powers of the Declarant under subsections (a) and (b) which are not transferred to an Assignee pursuant to a Transfer Agreement shall expire and terminate at such time as (i) the Development has been fully developed and improved per Declarant's Development Plan and (ii) five (5) years from such time as the Declarant no longer holds or controls title to any portion of the Development Area.

ARTICLE TEN Amendment

10.01 SPECIAL AMENDMENTS: Anything herein to the contrary notwithstanding, Declarant reserves the right and power to Record a special amendment ("Special Amendment") to this Declaration at any time and from time to time which amends this Declaration (i) to comply with requirements of Fannie Mae, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Veteran's Administration, or any other governmental agency or any other public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such entities, (ii) to induce any of such agencies or entities to make, purchase, sell, insure, guarantee or otherwise deal with first mortgages covering Dwelling Units, (iii) to correct errors, omissions, ambiguities or inconsistencies in the Declaration or any Exhibit, (iv) to bring the Declaration into compliance with applicable laws, ordinances or governmental regulations, (v) to amend Exhibit A to include additional real estate or remove real estate, (vi) to amend Exhibit B to add previously unsubdivided portions of the Premises to Section II of Exhibit B to reflect the subdivision thereof, or (vii) to designate a Designated Builder hereunder, or (viii) amend the Construction and Architectural Design Standards contained in Exhibit D. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to the Declarant to make or consent to a Special Amendment on behalf of each Owner. Each deed, mortgage, trust deed, other evidence of obligation, or other instrument affecting a Dwelling Unit and the acceptance thereof shall be deemed to be a grant and acknowledgment of, and a consent to the reservation of,

the power to the Declarant to make, execute and Record Special Amendments. The right and power to make Special Amendments hereunder shall terminate five (5) years after such time as (i) the Development has been fully developed and improved per Declarant's Development Plan, and (ii) Declarant no longer holds or controls title to any portion of the Development Area.

10.02 AMENDMENT: Subject to Section 10.01 and Article Thirteen, the provisions of this Declaration may be amended, abolished, modified, enlarged, or otherwise changed in whole or in part by the affirmative vote of Voting Members representing at least seventy-five percent of the total votes or by an instrument executed by Owners of at least seventy-five Percent (75%) of the Dwelling Units and Unbuilt Dwelling Units; except, that (i) the provisions of this Section 10.02 may be amended only by an instrument executed by all of the Owners and all Mortgagees, and (ii) Article Nine, and any other provisions relating to the rights of Declarant and each Designated Builder may be amended only with the written consent of the Declarant and the Designated Builder, as applicable. No amendment which removes Premises from the provisions of this Declaration shall be effective if as a result of such removal, an Owner of a Dwelling Unit or Unbuilt Dwelling Unit shall no longer have the legal access to a public way from his Dwelling Unit or Unbuilt Dwelling Unit. No amendment shall become effective until properly Recorded.

ARTICLE ELEVEN

Mortgagees Rights

(b) Any audited or unaudited financial statements of the Association which are prepared for the Association and distributed to the Owners; provided, that, if an audited statement is not available, then upon the written request of the holder, insurer or guarantor of a Mortgage, the Association shall permit such party to have an audited statement for the preceding fiscal year of the Association prepared at such party's expense;

(c) Copies of notices of meetings of the Owners;

(d) Notice of the commencement of any condemnation or eminent domain proceedings with respect to any part of the Community Area.

(e) Notice of any default by the Owner of the Dwelling Unit or Unbuilt Dwelling Unit which is subject to the Mortgagee's mortgage under this Declaration, the By-Laws or

the power to the Declarant to make, execute and Record Special Amendments. 10.02 AMENDMENT: Subject to Section 10.01 and Article Thirteen, the provisions of this Declaration may be amended, abolished, modified, enlarged, or otherwise changed in whole or in part by the affirmative vote of Voting Members representing at least seventy-five percent of the total votes or by an instrument executed by Owners of at least seventy-five Percent (75%) of the Dwelling Units and Unbuilt Dwelling Units; except, that (i) the provisions of this Section 10.02 may be amended only by an instrument executed by all of the Owners and all Mortgagees, and (ii) Article Nine, and any other provisions relating to the rights of Declarant and each Designated Builder may be amended only with the written consent of the Declarant and the Designated Builder, as applicable. No amendment which removes Premises from the provisions of this Declaration shall be effective if as a result of such removal, an Owner of a Dwelling Unit or Unbuilt Dwelling Unit shall no longer have the legal access to a public way from his Dwelling Unit or Unbuilt Dwelling Unit. No amendment shall become effective until properly Recorded.

ARTICLE TWELVE Special Development Rights

12.01 GRANT OF SPECIAL DEVELOPMENT RIGHTS: The Declarant shall have the right and power (but shall not be obligated) to grant Special Development Rights to a Special Development Rights Holder. The grant of Special Development Rights may be made in the deed which conveys a portion of the Premises to the Special Development Rights Holder or in a separate Recorded instrument ("Granting Document"). If a grant of Special Development Rights is made, the Granting Document shall include the following:

(a) A legal description of the portion of portions of the Premises which are subject to the Special Development Rights (the "Special Development Rights Area");

(b) A specific list of description of the Special Development Rights granted;

(c) An expiration date for each Special Development Right granted, which shall in no event be later than such time as the Special Development Rights Holder no longer holds title to any portion of the Special Development Rights Area;

(d) Limitations or restrictions on the exercise of Special Development Rights;

(e) Such other provisions as the Declarant and the Special Development Rights Holders may agree upon.

12.02 EXERCISE OF SPECIAL DEVELOPMENT RIGHTS: Special Development Rights shall be exercised subject to the following:

(a) Each Special Development Rights Holder (other than a Designated Builder) shall be required to pay assessments to the Association for each Dwelling Unit or Unbuilt Dwelling Unit from time to time owned by it in the Special Development Rights Area on the same basis as each other Owner (other than Declarant or a Designated Builder);

(b) The Special Development Rights Holder shall not be required to pay any fee or charge to the Association for the exercise of Special Development Rights granted to it over and above any assessments payable by the Special Development Rights Holder;

(c) If a Special Development Rights Holder takes title (in its own name or in the name of a land trust or nominee) to Special Development Rights Area which is Unplatted Area, then no portion thereof shall be subdivided unless (i) the Declarant consents to the Recording of the proposed Subdivision Plat, in writing, on the Subdivision Plat and (ii) the Subdivision Plat identifies thereon all portions of the Premises affected thereby which shall be Community Area hereunder. Upon the Recording of a Subdivision Plat with respect to a portion of a Special Development Rights Area as provided above, the portion of the Premises with respect to which the Subdivision Plat is Recorded shall be Platted Area hereunder and the portions thereof which are designated as Community Area shall be Community Area hereunder.

ARTICLE THIRTEEN
Annexing Additional Property

13.01 IN GENERAL: Declarant reserves the right at any time and from time to time prior to fifteen (15) years from the date of Recording of this Declaration to annex, add and subject additional portions of the Development Area to the provisions of this Declaration as additional Premises by recording a supplement to this Declaration (a "Supplemental Declaration"), as hereinafter provided. Any portion of the Premises which is subjected to this Declaration by a Supplemental Declaration shall be referred to as "Added Premises"; any portion of any Added Premises which is made part of the Community Area shall be referred to as "Added Community Area"; any Dwelling Units contained in the Added Premises shall be referred to as "Added Dwelling Units"; and any Unbuilt Dwelling Units in the Added Premises shall be referred to as "Added Unbuilt Dwelling Units". After the expiration of said fifteen (15) year period, Declarant may exercise the rights described herein to annex, add and subject additional portions of the Premises to the provisions of this Declaration, provided that the consent the Owners (by number) of two-thirds (2/3) of all Dwelling Units and Unbuilt Dwelling Units then subject to this Declaration is first obtained.

13.02 POWER TO AMEND: Declarant hereby reserves the right and power to Record a Supplemental Declaration, at any time and from time to time as provided in Section 13.01, which amends or supplements Exhibit B. Exhibit B may only be amended or supplemented pursuant to this Article to add portions of the Premises to Exhibit B, identify Added Dwelling Units and Added Unbuilt Dwelling Units and shall not be amended to reduce or remove any real estate which is described in Exhibit B immediately prior to the Recording of such Supplemental Declaration. A Supplemental Declaration may contain such additional provisions affecting the use of the Added Premises or the rights and obligations of owners of any part or parts of the Added Premises as the Declarant deems necessary or appropriate.

13.03 EFFECT OF SUPPLEMENTAL DECLARATION: Upon the Recording of a Supplemental Declaration by Declarant which annexes and subjects Added Premises, Added Community Area, Added Dwelling Units, or Added Unbuilt Dwelling Units to this Declaration, as provided in this Article, then:

(a) The easements, restrictions, conditions, covenants, reservations, liens, charges, rights, benefits and privileges set forth and described herein shall run with and bind the Added Premises and inure to the benefit of and be binding on any Person having at any time any interest or estate in the Added Premises in the same manner, to the same extent and with the same force and effect that this Declaration applies to the Premises, and Persons having an interest or estate in the Premises, subjected to this Declaration prior to the date of the Recording of the Supplemental Declaration;

(b) Every Owner of an Added Dwelling Unit or Added Unbuilt Dwelling Unit shall be a member of the Association on the same terms and subject to the same qualifications and limitations as those members who are Owners of Dwelling Units or Added Unbuilt Dwelling Unit immediately prior to the Recording of such Supplemental Declaration;

(c) In all other respects, all of the provisions of this Declaration shall include and apply to the Added Premises made subject to this Declaration by any such Supplemental Declaration and the Owners, mortgagees, and lessees thereof, with equal meaning and of like force and effect and the same as if such Added Premises were subjected to this Declaration at the time of the Recording hereof;

(d) The Recording of each Supplemental Declaration shall not alter the amount of the lien for any Charges made to a Dwelling Unit, an Unbuilt Dwelling Unit or its Owner prior to such Recording;

(e) The Declarant and each Designated Builder shall have and enjoy with respect to the Added Premises all rights, powers and easements reserved or granted by the Declarant in this Declaration, plus any additional rights, powers and easements set forth in the Supplemental Declaration; and

(f) Each Owner of an Added Dwelling Unit or Added Unbuilt Dwelling Unit which is subject to assessment hereunder shall be responsible for the payment of the Community Assessment pursuant to Section 6.02, but shall not be responsible for the payment of any special assessment which was levied prior to the time that the Added Dwelling Unit or Added Unbuilt Dwelling Unit became subject to assessment hereunder.

ARTICLE FOURTEEN
Dispute Resolution

14.01 CONSENSUS FOR ACTION BY THE COMMUNITY ASSOCIATION:

(a) Except as provided in this Section, the Community Association may not commence a legal proceeding or an action under this Article without the affirmative vote of at least seventy-five percent (75%) of the Voting Members. A Voting Member representing Lots owned by Persons other than the Voting Member shall not vote in favor of bringing or prosecuting any such proceeding unless authorized to do so by a vote of Owners of two-thirds of the total number of Lots represented by the Voting Member. This Section shall not apply, however, to (i) actions brought by the Community Association to enforce the provisions of this Community Declaration (including, without limitation, the foreclosure of liens), the By-Laws and reasonable rules and regulations adopted by the Board; (ii) the imposition and collection of Community Assessments; (iii) proceedings involving challenges to ad valorem taxation; or (iv) counterclaims brought by the Community Association in proceedings instituted against it.

(b) Prior to the Community Association or any member commencing any proceeding to which the Declarant and/or a Designated Builder is a Party, including but not limited to an alleged defect of any improvement, the Declarant and/or the Designated Builder, as the case may be, shall have the right to be heard by the members, or the particular member, and to access, inspect, correct the condition of, or redesign any portion of any improvement as to which a defect is alleged or otherwise correct the alleged dispute.

14.02 ALTERNATIVE METHOD FOR RESOLVING DISPUTES: The Declarant, each Designated Builder, their respective officers, directors employees and agents; the Community Association, its officers, directors and committee members; all Persons subject to this Community Declaration; and any Person not otherwise subject to this Community Declaration who agrees to submit to this Article (each such entity being referred to as a "Bound Party") agree to encourage the amicable resolution of disputes, without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees to submit those Claims, grievances or disputes described in Section 14.03 (collectively, "Claims") to the procedures set forth in Section 14.04.

14.03 CLAIMS: Unless specifically exempted below, all Claims between any of the Bound Parties regardless of how the same might have arisen or on what it might be based including, but not limited to Claims (a) arising out of or relating to the interpretation, application or enforcement of the provisions of this Community Declaration, the By-Laws and reasonable rules and regulations adopted by the Board or the rights, obligations and duties of any Bound

Party under the provisions of this Community Declaration, the By-Laws and reasonable rules and regulations adopted by the Board, (b) relating to the design or construction of improvements; or (c) based upon any statements, representations, promises, warranties, or other communications made by or on behalf of any Bound Party shall be subject to the provisions of Section 14.04 and, if applicable the dispute resolution provisions of the purchase agreement for the purchase of a Lot ("Purchase Agreement"). In the event of an inconsistency or contradiction between the provisions relating to dispute resolution as set forth in this Community Declaration and those which are set forth in the Purchase Agreement, the provisions of the Purchase Agreement shall prevail.

Notwithstanding the foregoing, unless all parties thereto otherwise agree, the following shall not be Claims and shall not be subject to the provisions of Section 14.04:

(a) any suit by the Community Association against any Bound Party to enforce the provisions of Article Six;

(b) any suit by the Community Association, the Declarant or a Designated Builder to obtain a temporary restraining order or injunction (or equivalent emergency equitable relief) and such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Community Association's ability to act under and enforce the provisions of Article Three and/or Article Eight;

(c) any suit between or among Owners, which does not include the Declarant, a Designated Builder or the Community Association as a Party, if such suit asserts a Claim which would constitute a cause of action independent of the provisions of this Community Declaration, the By-Laws and reasonable rules and regulations adopted by the Board; and

(d) any suit in which any indispensable party is not a Bound Party.

With the consent of all parties hereto, any of the above may be submitted to the alternative dispute resolution procedures set forth in Section 14.04.

14.04 MANDATORY PROCEDURES:

(a) Notice. As a condition precedent to seeking any action or remedy, a Bound Party having a Claim ("Claimant") against any other Bound Party ("Respondent") (the Claimant and the Respondent referred to herein being individually, as a "Party," or, collectively, as the "Parties") shall notify each Respondent in writing (the "Notice"), stating plainly and concisely:

(i) the nature of the Claim, including defect or default, if any, in detail and the Persons involved and Respondent's role in the Claim;

(ii) the legal basis of the Claim (i.e., the specific authority out of which the Claim arises);

(iii) the proposed remedy;

(iv) any evidence that depicts the nature and cause of the Claim and the nature and extent of repairs necessary to remedy the Claim, including expert reports, photographs and videotapes; and

(v) the fact that Claimant will meet with Respondent to discuss in good faith ways to resolve the Claim.

Notices given to Respondent pursuant to this Section shall be deemed sufficient if personally delivered, delivered by commercial messenger service, or mailed by registered or certified mail, postage prepaid, return receipt requested to the last known address of the Respondent as it appears on the records of the Community Association on the date of mailing.

(b) Claims Involving the Declarant or a Designated Builder. With respect to any Claim to which the Declarant or a Designated Builder is the Respondent:

(i) Right to Inspect. Claimant agrees to permit the Declarant or the Designated Builder and its agents to perform inspections and tests and to make all repairs and replacements deemed necessary by the Declarant or the Designated Builder to respond to the Claim. The Declarant or the Designated Builder shall have the Cure Period (defined below) to inspect and correct any alleged default. The Declarant or the Designated Builder shall be given a reasonable opportunity to perform all inspections and tests and make all repairs and/or replacements deemed to be necessary by Declarant or the Designated Builder.

(ii) Right to Cure. The Declarant or the Designated Builder shall have the right to repair, replace or pay the Claimant the reasonable cost of repairing or replacing any defective item. Unless otherwise provided by law or agreed by the Parties, the Declarant, the Designated Builder or Community Association, as the case may be, shall have not less than 35 days nor more than 90 days from receipt of the Notice (the "Cure Period") to cure as provided herein or to otherwise respond to the Claimant in the event that the Declarant determines that no default has occurred and/or default exists. A Claimant shall have no right to bring any action against the Declarant until expiration of the Cure Period. The Cure Period shall be extended by any period of time that Claimant refuses to allow the Declarant or the Designated Builder to perform inspections and/or perform tests as provided in subsection 14.04(b)(i) of this Article. Declarant shall have the right, but not the obligation, to take action during the Cure Period and/or respond to any notice received from Claimant.

(iii) Time. The time periods provided for the inspection and cure by the Declarant or the Designated Builder shall be extended by any period of time that Claimant refuses to allow Declarant or the Designated Builder to make inspections, tests, repairs and/or replacements. Any inspection, test, repair or replacement performed on a business day between 9 a.m. and 5 p.m. shall be deemed to be reasonable hereunder.

(iv) Dispute Resolution. Any dispute (whether contract, warranty, tort, statutory or otherwise), including, but not limited to (a) any and all controversies, disputes or

claims arising under, or related to, the Purchase Agreement, the Lot, or any dealings between the Declarant or the Designated Builder and Owner (with the exception of “consumer products” as defined by the Magnuson-Moss Warranty-Federal Trade Commission Act, 15 U.S.C. Section 2301 et seq., and the regulations promulgated thereunder), (b) any controversy, dispute or claim arising by virtue of any representations, promises or warranties alleged to have been made by the Declarant, the Designated Builder or its representative, and (c) any personal injury or property damage alleged to have been sustained by Purchaser on the Property (hereinafter individually and collectively referred to as “disputes” or “Claims”), shall first be submitted to mediation and, if not settled during mediation, shall thereafter be submitted to binding arbitration as provided in Paragraphs 15.04(c) and 15.04(d) below and as provided by the Federal Arbitration Act (9 U.S.C. Section 1 et seq.) or applicable state law relating to arbitration and not by or in a court of law.

(v) Small Claims Court. Notwithstanding the requirement of arbitration, Claimant shall have the option, after mediation to seek relief in a small claims court for disputes or Claims within the scope of the court’s jurisdiction in lieu of proceeding with arbitration.

(vi) Mediation Fees. The Declarant or the Designated Builder shall pay for one (1) day of mediation (mediator fees plus any administrative fees relating to the mediation). Any mediator and associated administrative fees incurred thereafter shall be shared equally by the Parties.

(vii) Arbitration Fees. The fees for any claim in an amount of \$10,000 or less shall be apportioned as provided in applicable AAA rules. Unless provided otherwise by applicable AAA rules, for claims that exceed \$10,000, the filing Party shall pay up to the first \$750 of any initial filing fee to initiate arbitration. Under the following conditions, the Declarant or the Designated Builder agrees to pay up to the next \$2,000 of any initial filing fee: (1) Claimant has participated in mediation prior to initiating the arbitration; (2) the parties have mutually agreed to waive mediation; or (3) the Declarant or the Designated Builder files for arbitration under Paragraph (d)(i) below. The portion of any filing fee not covered above, and any case service fee, management fee or fees of arbitrator(s), shall be shared equally by the Parties.

(viii) The Declarant or the Designated Builder and Claimant agree that notwithstanding anything to the contrary, the rights and obligations set forth in this Article Fourteen shall survive (1) the closing of the sale of the Dwelling Unit; (2) the termination of the Purchase Agreement by either party; or (3) the default of the Purchase Agreement by either party. The waiver or invalidity of any portion of this paragraph shall not affect the validity or enforceability of the remaining portions of this paragraph. Declarant or the Designated Builder and Claimant further agree (1) that any dispute involving Declarant’s, or the Designated Builder’s affiliates, directors, officers, employees and agents shall also be subject to mediation and arbitration as set forth herein, and shall not be pursued in court of law; (2) that the Declarant or the Designated Builder may, at its sole election, include its sub-contractors and suppliers, as well as any warranty

company and insurer as parties in the mediation and arbitration; (3) that the mediation and arbitration will be limited to the parties specified herein.

(c) Negotiation and Mediation.

(i) The Parties shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a representative to assist the Parties in negotiation.

(ii) If the Parties do not resolve the Claim within 90 days after the date of the Notice and the Cure Period has expired (or within such other period as may be agreed upon by the Parties) ("Termination of Negotiations"), either Party shall have 30 days from the date of Termination of Negotiations to submit the Claim to mediation. The mediation shall be filed with and administered by the American Arbitration Association ("AAA") in accordance with the AAA's Supplementary Mediation Procedures for Residential Construction Disputes in effect on the date of the Notice. If there are no Supplementary Mediation Procedures for Residential Construction Disputes currently in effect, then the AAA's Construction Industry Mediation Rules in effect on the date of the Notice shall be utilized. Unless mutually waived in writing by the Parties, submission to mediation is a condition precedent to either Party taking further action with regard to the Claim.

(iii) If a Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation, then the Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim.

(iv) Any settlement of the Claim through mediation shall be documented in writing by the mediator and signed by the Parties. If the Parties do not settle the Claim within 30 days after submission of the matter to the mediation, or within such other time as determined by the mediator or agreed to by the Parties, the mediator shall issue a notice of termination of the mediation proceedings ("Termination of Mediation"). The Termination of Mediation notice shall set forth that the Parties are at an impasse and the date that the mediation was terminated.

(d) Binding Arbitration.

(i) Upon Termination of Mediation, either Party shall thereafter be entitled to initiate binding arbitration of the Claim under the auspices of AAA in accordance with the AAA's Supplementary Arbitration Procedures for Residential Construction Disputes in effect on the date of the Notice. If there are no Supplementary Arbitration Procedures for Residential Construction Disputes in effect, then the AAA's Construction Industry Arbitration Rules in effect on the date of such Notice shall be utilized. Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Claim. Unless the Parties agree otherwise, Claims in excess

of \$10,000 but less than \$500,000 shall utilize the Regular Track Procedures of the Construction Industry Arbitration Rules, as modified by the Supplementary Arbitration Procedures for Residential Construction. If the Claim amount exceeds \$250,000 or includes a demand for punitive damages, the Claim shall be heard and determined by three arbitrators. Otherwise, unless mutually agreed to by the Parties, there shall be one arbitrator. Arbitrators shall have expertise in the area(s) of dispute, which may include legal expertise if legal issues are involved. All decisions respecting the arbitrability of any Claim shall be decided by the arbitrator(s).

(ii) At the request of any Party, the award of the arbitrator(s) shall be accompanied by detailed written findings of fact and conclusions of law. Except as may be required by law or for confirmation of an award, neither a Party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of the Parties.

(e) Costs and Expenses. Except as otherwise provided under subparagraphs 15.04(b) above, each Party shall bear its own costs and expenses, including attorney's fees, for any mediation and arbitration. Notwithstanding the foregoing, if a Party unsuccessfully contests the validity or scope of arbitration in a court of law, the non-contesting Party shall be awarded reasonable attorneys fees and expenses incurred in defending such contest. In addition, if a Party fails to abide by the terms of a mediation settlement or arbitration award, the other Party shall be awarded reasonable attorneys fees and expenses incurred in enforcing such settlement or award.

14.05 AMENDMENT OF ARTICLE: Without the express prior written consent of Declarant, this Article may not be amended for a period of twenty years from the effective date of this Community Declaration.

15.02 CAPTIONS: The Article and Section headings are intended for convenience only and shall not be construed with any substantive effect in this Declaration. In the event of any conflict between statements made in recitals to this Declaration and the provisions contained in the body of this Declaration, the provisions in the body of this Declaration shall govern.

15.03 SEVERABILITY: Invalidation of all or any portion of any of the easements, restrictions, covenants, conditions, or reservations, by legislation, judgment or court order shall in no way affect any other provisions of this Declaration which shall, and all other provisions, remain in full force and effect.

15.04 PERPETUITIES AND OTHER INVALIDITY: If any of the options, privileges, covenants or rights created by this Declaration would otherwise be unlawful or void for violation of (a) the rule against perpetuities or some analogous statutory provision, (b) the rule restricting restraints on alienation, or (c) any other statutory or common law rules imposing time limits, then such provisions shall continue only until twenty-one (21) years after the death of the survivor of the now living lawful descendants of George H. Bush, the former President of the United States.

15.05 ASSIGNMENT BY DECLARANT: Except as otherwise provided herein, all rights which are specified in this Declaration to be rights of the Declarant or a Designated Builder are mortgageable, pledgeable, assignable or transferable. Any successor to, or assignee of, the rights of the Declarant or a Designated Builder hereunder (whether as the result of voluntary assignment, foreclosure, assignment in lieu of foreclosure, or otherwise) shall hold or be entitled to exercise the rights of Declarant or a Designated Builder hereunder as fully as if named as such party herein. No such successor assignee of the rights of Declarant or a Designated Builder hereunder shall have or incur any liability for the acts of any other party which previously exercised or subsequently shall exercise such rights.

15.06 TITLE HOLDING LAND TRUST: In the event title to any Dwelling Unit or Unbuilt Dwelling Unit is conveyed to a title holding trust, under the terms of which all powers of management, operation and control of the Dwelling Unit or Unbuilt Dwelling Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder from time to time shall be responsible for payment of all Charges and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Dwelling Unit or Unbuilt Dwelling Unit. No claim shall be made against any such title holding trustee personally for payment of any lien or obligation hereunder created and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of such lien or obligation shall continue to be a charge or lien upon the Dwelling Unit or Unbuilt Dwelling Unit and the beneficiaries of such trust notwithstanding any transfers of the beneficial interest of any such trust or any transfers of title to such Dwelling Unit or Unbuilt Dwelling Unit.

15.07 WAIVER OF IMPLIED WARRANTY OF HABITABILITY: Illinois courts have held that every agreement for the construction of a new home in Illinois carries with it a warranty that when completed, the home will be free of defects and will be fit for its intended use as a home. The courts have also held that this "Implied Warranty of Habitability" does not have to be in writing to be a part of the agreement and that it covers not only structural and mechanical defects such as may be found in the foundation, roof, masonry, heating, electrical and plumbing, but it also covers any defect in workmanship which may not easily be seen by the purchaser. However, the courts have also held that a seller-builder and purchaser may agree in writing that the Implied Warranty of Habitability is not included as a part of their particular agreement. Each

purchaser of a Detached Home or Duplex Home from Declarant or a Designated Builder has waived, and the Declarant and each Designated Builder agreed in the purchase contract that the Declarant has excluded has disclaimed, the Implied Warranty of Habitability and all other implied warranties, whether created judicially, statutorily or by common law, including the implied warranty of fitness for a particular purpose. Such exclusion and disclaimer shall apply to and bind any subsequent Owner of a Detached Home or Duplex Home and, accordingly, no Owner of a Detached Home or Duplex Home shall have the right to assert a claim against Declarant or any Designated Builder for a breach of the Implied Warranty of Habitability or any other implied warranty.
